## TO WHOM SO EVER IT MAY CONCERN

M/s R.R. Constructions have successfully completed the construction of Civil & infra.work of our "Reinstatement project" at MIDC Mahad, Maharashtra.

Project incl. Distillation & Reaction Building, Hydrogenation Plant Building of 25 m Height along with related units like MEE, MCC Room, RM Tanks, Solvent Tanks and infra work.

It was a challenging work because of operational factory & with a lot of space constraint due to a running plant., has very tight schedule of 8 Months starts form Aug 2018 to March 2019. The work value was 18 cores and it was completed within Time schedule period, good quality standard along with all HSE compliance.

We wish their entire team the very best for all their future upcoming projects. We would be very happy to be associated with you again.
